

## Jindal Saw Ltd - PQF mill commissioned

Jindal Saw Ltd Sinnar, Nashik Premium Quality Finishing (PQF) was recently commissioned, and started its operations from this month. The expansion project was given a mega project status by the Government of Maharashtra. Jindal Saw Ltd, a part of OP Jindal Group and 4th largest industrial house in India has diversified from a single product to a multi-product portfolio over the last two decades. Jindal Saw Ltd has the distinction of having global footprint by providing total pipe solution. Under the expansion project, the main equipment PQF Mill has been imported from SMS Meer Germany and other supporting equipments have been procured from USA, China, South Korea and Austria. The present annual capacity of Nashik unit has been augmented from 75,000 T to finished tubes to 2,20,000 T of finished tubes, VS Konnur, Director (Seamless Business), Jindal Saw Ltd informed.
